HOONJAN ELECTED PRESIDENT OF MASSACHUSETTS SCHOOL BANK ASSOCIATION

Jackie Hoonjan, of Fitchburg, has been elected president of the Massachusetts School Bank Association.

Hoonjan currently serves as vice president, regional manager and Chelmsford branch manager for Workers' Credit Union.

The association, for banks and credit unions with branches in high schools, has 23 members. Its mission is to share best practices on expanding financial literacy through the school curriculum, and to host an annual conference at the Federal Reserve for high school students.

The credit union has two high school branches, located in Chelmsford and Acton, Mass.

Over 35 restaurants participated in the fifth annual "Taste of North Central" held last week at the Courtyard Marriot, Fitchburg. The event serves as the major fundraiser for Montachusett Opportunity Council, and proceeds benefit the programs for families and children. A portion of the proceeds will also be used to create an emergency food and fuel fund for families in need.
